

M.J. Fox or Zechariah?

Pastor Chris Brauns, Luke 1:56-80, 12/13/2020

*The good news or gospel is that God saves his covenant people (who put their faith and trust in Jesus) from sin to righteousness. This gospel differs fundamentally from the good news of our cultural moment –what popular culture proclaims -- that argues that we save ourselves by means of sunny optimism and individual courage with no confidence about eternity.*
